

Color Printing Discount Coupon

Get **\$25 Off** your first order from **PrintingForLess.com**

PrintingForLess.com is leading a revolution in the commercial printing industry. They specialize in serving the small business market and have taken the pain out of the print buying process. Thousands of print buyers have discovered them, including us! We want to share with you some of what they have to offer:

- ▮ **Highest quality four-color printing of postcards, business cards, brochures, catalogs, stationery, envelopes, posters, presentation folders and much more!** All of their work is printed on industry-leading Heidelberg printing presses.
- ▮ **Professional Quality at some of the lowest prices anywhere.** Due to the efficiencies of the Internet, PFL produces high-quality, low-cost color printing for up to 50% less than regular commercial printers.
- ▮ **Instant online pricing.** No more waiting for bids from off-line printers.
- ▮ **Online proofing** via web or email.
- ▮ **Acceptance of almost ANY PC or Mac digital file**, not just high end illustration software.
- ▮ **Industry-leading customer service.** Your phone calls (yes, they actually encourage you to call!!!) will be answered promptly by graphics professionals who can walk you through just about any technical or graphic question you may have.

We are excited to make a special offer available to you, just for visiting our site. Place an order for color printing at www.PrintingForLess.com and receive \$25 off of your first order. We are confident that once you try them, you will never go anywhere else for your full color printing needs. Simply input the unique promotional coupon code **RP1K624NU** in the Promotional Code field on any PrintingForLess.com ordering page when completing your order, and you will see the discount applied on your receipt.
